

ST LEONARDS PRIMARY SCHOOL

SPORTS INFORMATION BOOKLET

Introduction

The purpose of this booklet is to provide information only to parents and children regarding out of school hours team sports available to Years **2 to 7** at St Leonards Primary School. (Children turning 8 this year can participate).

It also depends entirely on numbers of interested children, and age groups etc.

The variety and number of sports offered depends on the willingness of parents and caregivers to coach, manage and support the teams, and may therefore vary from year to year. By providing you with these facts about each sport we hope that you and your child or children will be able to make an informed decision about how and where you can be involved during the year.

It is hoped each individual sport will have a contact in charge to organise, times dates players and any other information, including delegating tasks.

Code of Conduct – Insert DECS Code of Conduct

All students and coordinators must fill out a **Code of Conduct form** (these forms are available from the school office) and are expected to abide by the DECS Sport Policy (please see our school website www.sleonrdsps.sa.edu.au to access the Sports Policy).

Summer/Winter Sports

All sports will be classified as either Summer or Winter sports. Summer sports will be played during Terms 1 and 4 and Winter sports will be played during Terms 2 and 3. You are required to make a decision about Summer and Winter sports and pay any necessary fees at the beginning of the appropriate term.

This means that if we have a cricket team, you are prepared to play cricket in both Term 1 and Term 4. This is your **Summer Sport**. If your child chooses to pull out of summer sport in **Term 4 there will be no refund.**

As stated, ALL of our sports teams will depend on numbers, and ages of children interested.

Summer Sports may include Cricket, T-Ball, and Volleyball

Winters Sports could include Soccer (contact Sports Coordinator), and Volleyball Term 2 and 3.

In future, we may be able to buddy up with another school for Australian Rules.

Registration Fees

Please fill in the registration form included in this booklet. Registration forms are also available from the front office. The variety and number of teams that will be registered will depend on the information gained from forms received **by the due date**.

A team will be viable only if, by the due date, enough children have registered for a sport with parental approval, and adequate number of adult helpers is in place.

Registered players will receive a trophy of participation

The availability of uniforms will depend on the sport, and is an option being considered by the school Governing Council.

Late Registrations

Where there are too many children registering for a sport and limited coaches, children will be accepted on a first come first served basis. It is essential that if you are considering making a commitment as a coach or helper that you do so in the first instance as it will not be the role of the Sports Co-ordinator to find volunteers after the due date.

Documentation on the roles and responsibilities for coach and manager are available on request from the front office or the Club Sports Co-ordinator.

Due Date – term by term basis

Forms should be submitted, with payment, to the uniform shop before school on any day up to and including the due date above.

Please take particular note of the adult involvement required for your child's specific choice of sport and give some thought to the support role you may be able to take on a full time or part time (shared) basis.

Enquiries to Sports Coordinator / or Principal.

SAPSASA

Primary school sport activities include interschool competitions, state-wide championships and carnivals and state teams that participate in national school exchanges. At the beginning of each year the teacher – Sports Focus provides information to those students that are eligible to participate in SAPSASA. Please see SAPSASA website <http://www.decs.sa.gov.au/sport/> for further information.

T-BALL - SUMMER SPORT

Grades	Years 1-5
Team size	9
Max Squad size	10
