From the Leadership Team

Welcome back to Term 2. We trust that you have all had an enjoyable break. I know our learners have certainly been recharged and have had a great start to the term. It has already been a really fast start. We have had cross country trials, SAPSASA soccer and NAPLAN preparation, just to name a few.

Week 2 sees our Year 3, 5 and 7 students sit the NAPLAN tests. These tests give the school and the student a snapshot of learning at that point of time. Teachers at St Leonards use this data, amongst other data we regularly collect, to map each learners progress and put processes in place to improve all student learning. Our progress has been recognised nationally and we endeavor to continue this improvement.

If you have a child sitting these tests, please reassure them that we are proud of their efforts at all times. If you wish to withdraw your child, please make an appointment with one of the leadership team.

School Pride Day

We are preparing for our first School Pride Day of the year on Sunday, 15 May. We would love to see as many people as possible giving an hour or two of their time to beautify our school.

ANZAC Day

Anzac Day was commemorated on Monday, 25 April. Justine D and Ethan D (School Ambassadors), met me at 5:30am to attend the Holdfast Bay, Glenelg/Plympton RSL official ceremony at the Moseley Square Memorial.

The veterans march, the Ode, the bagpipes, the address, the prayer, The Last Post (bugle) and the singing by Rachel Sumner were moving tributes to all past and present soldiers.

Justine and Ethan laid a wreath at the memorial on behalf of the St Leonards School community and were excellent representatives for our school.

Snap to It!

Over the next few months we will be having a St Leonards Primary School Photography Challenge.

We currently have a number of posters around our school encouraging us to have a positive outlook upon life. Each poster includes an image describing the attribute being promoted. These posters are great ... **but what if** ... we could have our own photos illustrating them?

Your mission, should you choose to accept it, is to take a photograph (which best describes the theme word) and email it, along with your name and room number, to Graeme.smith149@schools.sa.edu.au

One photo will be selected from those submitted and included in the newsletter. It will also be made into a poster to be displayed in the school. Each child may submit only one photograph.

The first theme is **CURIOSITY**. Get snapping and good luck.

Children's University passport holders can use this activity for a two hour stamp.

The Children's University notice board has been updated. Make sure you check out the fun activities coming up this May. The beep test will be running on Thursday mornings at 8:30am. Our first one for the term had a great turn out. Come along and see if you can get a personal best.

Passport Renewal

If students with CU passports are intending to graduate in 2016, they will need to renew their passport for 2016 by the end of this term. The cut-off date is Friday, 8 July and no payments will be accepted beyond this date, which will result in an inability to graduate at the University of Adelaide this year. Payments can be made at the Cash Office. The annual renewal fee is \$25.00.

Vicki's Corner

With Mothers' Day this Sunday it is always a good time to reflect on how special we are.

This week students at school have been busy making Mothers' Day cards or presents. I love seeing them get excited and carefully putting the work into making something special for the people they love.

I want to wish every mother a very happy Mothers' Day. Enjoy your time with your children. They are special and very much a part of you. Happy Mothers' Day.

School Banking

Our School Banking day is **Tuesday**. Please take your bank books to the Uniform Shop before the bell. Term 2 Rewards are available to order from the School Banking Portal from this week. Term 1 reward items are also still available. School Banking is a great way to learn a lifelong skill and to raise money for our school. The school receives a donation from the bank for every new account opened.

School Banking is improving your kid's 'Common Cents.'

It's been a great start to the school year, and every week we see the students putting in a fantastic savings effort. That might be because of this year's Grand Prize: a VIP tour of Australia Zoo to meet Robert and Bindi Irwin! Many of our true blue Outback Savers are well on their way to reaching their 15 deposits by the end of Term 3, which will give them an automatic entry into the Grand Prize competition.

Aside from the Grand Prize, two new reward items are available this term. After making 10 School Banking deposits, students can redeem the Mud Splat Handball or the Outback Pat Bag Tag!

Learning about your child's 'Common Cents'
Earlier this year, CommBank released a report exploring just how clued-up about money Australian children are. They were asked to complete the 'Common Cents' Quiz, which looked at five key areas of financial literacy: spending, saving, earning, budgeting and investing.

The research revealed our nation's kids are – on average – educated earners and spenders, and children whose parents have smarter money habits recorded higher 'Common Cents' scores. Here are some of the statistics we've uncovered:

- 68% of Aussie kids like saving their money more than spending it.
- 77% of them understand they can earn extra money by doing chores around the house.
- Only 50% know what a budget is, with one in five thinking it's a sheet of paper with numbers on it.
- Over 50% of children surveyed would take \$5 now, over larger monetary sums if they have to wait.

The report also shows that 60% of primary school children in Australia receive pocket money, and 82% of those are expected to complete tasks to earn it. Pocket money is a great way for parents to teach kids the value of money and the earning process.

If you're curious about your child's 'Common Cents', we encourage you to take them through the simple Quiz that's available at commbank.com.au/commoncentsquiz

For more tips, videos and activities to stimulate your child's interest in money skills, head to The Beanstalk at commbank.com.au/youthsaver

Things you should know: Conditions apply. See commbank.com.au/schoolbanking for details. Promotion starts 9:00am AEST 25/1/16 and ends 11:59pm AEST 22/3/16. Entry is open to all Australian account holders aged 5-17 years who participate in CommBank's School Banking program, have parent/guardian consent to enter, and make at least 15 separate deposits into their YouthSaver account through the School Banking program during the promotional period. Limit of 1 entry per person. The draw will take place at 12:00pm AEST on 10/2/16 at the Bank's office. The first valid entry drawn will win a family trip for up to 2 adults and 3 children (17 years or under) to the Sunshine Coast. Quoted with return economy flights depending on winner's place of residence, 4 nights accommodation, 2 days car hire, \$1,000 spending money and a 5 day VIP tour of Australia Zoo. Admission to Australia Zoo valued at up to \$12,500. The winner's name will be published in the public notices section of The Australian on 17/2/16. Promoter is Commonwealth Bank of Australia ABN 48 122 122 124, 1011 Market Street, Sydney NSW 2000. Call 13 2221. 1800 Parents Hot Line 1800 011616. ACT Parents Hot Line 1800 011616. SA Parents Hot Line 1800 011616. About the research: Independent research carried out on behalf of Commonwealth Bank of Australia, by ICA Research. A total of 11,130 surveys completed among parents and their children, aged 5-17 years. A questionnaire online research methodology was used, with a 5-minute questionnaire for parents, and 5 minutes for children. National sample throughout Australia. The feedback was conducted between 11 and 18 December 2015.

Christmas Pageant

Last year we participated in the Holdfast Bay Christmas Pageant. This year I would love to get more parents involved in planning what we do. I am looking for anyone who would be interested in getting together to form a committee. We still have a couple of terms to go, however I would love to be better organised this year and have more people involved.

I am at school all day Monday and Wednesdays from 12:30pm. Please Let me know if you are interested in helping in any way. You can contact me at school on 8294 9811 or email me at Vicki.woods141@schools.sa.edu.au
