<https://elementalscience.com/blogs/news/80-free-science-activities>

- National Geographic Young Explorers is a magazine designed specifically for Reception and first grade students. Children can listen to the magazine being read to them as they follow along with the highlighted text.

<https://ngexplorer.cengage.com/ngyoungexplorer/index.html>

### Other things to do with your child

- **PLAY!!!**
- Read lots of stories and get children to draw their favourite part of the story
- Learn and practise nursery rhymes
- Do jigsaws
- Draw outside with chalk
- Cook/bake together
- Garden together
- Go for walks and count things along the ways, look at letterbox numbers etc
- Set the table for dinner, count the forks, knives, cups etc
- Play 'I Spy' with sounds e.g. I spy with my little eye something that begins with /m/ (the sound not the letter name)
- Play games - Guess Who, Uno, Snakes & Ladders
- Makes cubbies together
- Make things out of cardboard boxes
